Subject: Priority Goal mid year reporting - needed by Friday May 5
APG FY17 Q2 OCSPP ap (002).pptx

All, Much of our external reporting has been on hold / delayed this year due to the change of Administration, however things are beginning to break loose. For the Priority Goal, the sbo gave me a “heads-up” this morning that the request to update our materials will be coming out with a “RUSH” turnaround. Here’s the catch – OMB has updated the template / power point they want used for this exercise however it has not been released yet and won’t be for several days. When it is released the it will have a “RUSH” request for turnaround. Knowing this, I’m sending you the power point that was final for 2017 Q1 to use for updating – once I have the new format I’ll transfer the information you’ve provided to that.

Can I please have your updates to the attached file by next Friday March 5.

Ed

Ps. Anita, I’ve included you since you’ve always been my primary efed contact – I don’t know that details have kicked in yet (?) and if Kimberly is now my ‘it’ person.
